

Thank you for your interest in speaking to the Wichita Mayor's Youth Council!

The Mayor's Youth Council (MYC) is a group of successful high school students who are committed to the betterment of Wichita and to ensuring that youth voices are represented and heard in important conversations shaping the city, state, and country. Prior to your presentation, please take a moment to review our speaker guidelines, and do not hesitate to contact us if you have any questions.

### **PUBLIC AGENDA SPEAKER GUIDELINES**

- **Content:** Topics should support MYC's mission, vision, and tagline (see below). Topics should also attempt to encourage discussion, critical thinking, community involvement, and positive decision-making.

Mission: To provide Wichita youth with the opportunity to weigh in on community issues and learn about city government.

Vision: That youth of Wichita are secure, educated, and connected to the community.

Tagline: Keepers of the Future

- **Length:** Presentations should last no longer than 20 minutes, including any Q&A.
- **Attendance Confirmation:** One week prior to your scheduled presentation, please confirm your attendance and topic and submit any handouts, videos, and/or slideshows for review.
- **Meeting Details:** Regular meetings occur on the second Monday of each month (August – April) at 6:30pm at Greenway Manor, 315 N. Riverview St. Park in the lot across the street. As you approach the building, you will see a set of double doors and a single door. Please enter the single door to the far left. If providing handouts, please bring about 35-40 copies of each.
- **Political Candidates:** Candidates for public offices that represent any portion of the city of Wichita are not allowed to present during regular meetings unless their presentations are wholly focused on non-political content. If there is substantial interest from MYC members and other candidates, then a forum may be scheduled to simultaneously address multiple candidates.

Thank you for considering us, and we look forward to your presentation!
